Sir:

This is responsive to the Office Action mailed June 12, 2006, having a shortened period for response set to expire on July 12, 2006, the following remarks are provided.

I. Provisional Election of Claims Pursuant to 37 CFR §1.142

Applicants provisionally elect Group I (claims 1-6 and 8-10) with traverse in response to the preliminary restriction requirement set forth in the Office Action.

II. Applicants Traverse the Requirement

Insofar as Group I (claims 1-6 and 8-10) is concerned, it is believed that claims 7 and 11-12 are so closely related to elected claims 1-6 and 8-10 that they should remain in the same application. The elected claims 1-6 and 8-10 are directed to, for example, switching between a USB mass storage data driver and a data sync drive in response to either a command from the user through an input section or a command from the USB host and claims 7 and 11-12 are drawn to, for example, selectively loading either a USB mass storage driver or a data sync driver in response to a request from the USB host. There have been no references cited to show any necessity for requiring restriction. It is believed, moreover, that evaluation of all sets of claims would not provide an undue burden upon the Examiner at this time in comparison with the
